

Ashton Hayes Gardening Club

Coach Trip to Plas Cadnant, Menai

Tuesday 18th July 2017

A historic garden under restoration, situated between Menai Bridge and Beaumaris on the Isle of Anglesey. In 1996, the present owner bought the 200 acre Plas Cadnant Estate and work began on the restoration of the historic garden and grounds. Since then large parts of the gardens have undergone a spectacular transformation and have been restored to their former glory.

Described as one of North Wales best kept secrets is the hidden world of Plas Cadnant Gardens, situated at the side of the Menai Strait, hidden from view near to Menai Bridge on the Isle of Anglesey. Former owners of Plas Cadnant were related to the Tremayne family of Heligan House, now famous for its Lost Gardens.
